

give

Every donation is considered an investment. Each 100% tax-deductible gift promotes programs that focus on building a healthier community for us all. Please give what you can, donate in-kind, run a workplace campaign, attend an event... no contribution is too big or too small!

advocate

The Hawaii Island United Way needs people like you — people with strong voices and a desire for positive change — to be advocates for the LIVE UNITED cause. Advocacy is about understanding the challenges people face on our island, bringing them to light, and working together toward solutions. Encourage, support, promote... believe!

volunteer

Take action and show your support by volunteering your time and sharing your talents within the community. Your actions will inspire hope as there are endless opportunities for participating in meaningful ways! Assist, mentor, partner... get involved!

the mission

of the **HAWAII ISLAND UNITED WAY** is to unite people, organizations and resources to build a healthier community.

we unite...

PEOPLE with the simple principle that united we can accomplish more than we can ever do alone. Whether you are giving or receiving, United Way is the only non-profit organization that considers the needs of the entire community, rather than a single cause or agency...

ORGANIZATIONS that supply a network of services with programs that directly impact the daily lives of Hawaii Island residents. Your donation will ensure that a broad network of health and human service programs remain intact...

RESOURCES that are identified and shared so that real social change happens and lives are improved...

TO BUILD A HEALTHIER COMMUNITY. Together, with support from dedicated volunteers, partner agencies, businesses, community organizations and individuals like yourself, we will build a positive, healthy environment in which we all can live, work and play. **LIVE UNITED.**

how your investment grows...

- 1 Trained HIUW volunteers meet with partner agencies to review programs and services needed on Hawaii Island.
- 2 HIUW distributes your donations to partner agencies, investing in specific programs with measurable results.
- 3 Program outcomes are routinely measured for "Results we can see!" By tracking successes, we are also better able to address the changing needs of our community.

THE HAWAII ISLAND UNITED WAY (HIUW)

is a dynamic, community-building organization serving and supporting the extended 'Ohana of people who live on this beautiful island we all call home. We are a collaborative, networking agency driven by community volunteers, dedicated to the mission of *uniting people, organizations and resources to build a healthier community*. No other organization is better positioned to create a common ground where big and small businesses, elected officials, nonprofits, the faith community, the labor movement, individuals and families can come together to advance the common good. We understand that by working together, we can accomplish things that no one organization, individual, or government can accomplish on its own. This is the true meaning of "LIVE UNITED."

Community-building activities provide the foundation for all of our achievements. However, fundraising may be what we are best known for... and for good reason. 98% of all dollars raised on the island, stay on the island! We buy local and support local. HIUW meets and exceeds the highest standards of excellence – transparent above reproach. Every donation is considered an "investment" in our community and it is our goal to maximize the return on every investment. This is best accomplished through outcome-based program funding. Once community needs are identified, we partner with local agencies and target funding directly toward programs that make the greatest impact in the areas of Income, Education, and Health.

income

Addressing the obstacles that prevent hard-working families from getting ahead financially, HIUW promotes strategies to help families meet basic needs, while gaining the financial capability to plan for and accomplish long-term economic goals.

education

Giving our youth a quality education takes the resources and focus of the entire community. HIUW fosters learning-rich environments where dreams are fueled and opportunities delivered.

health

Whether monitoring diabetes, caring for seniors, providing emergency services, protecting victims of abuse or counseling a person in recovery, HIUW works to ensure access to affordable, quality care.
