

Ku'ikahi Mediation Center is now taking applications for:

Mediator Basic Training 2011

How can mediation skills help you?

- ❖ **Learn to manage & resolve most types of conflict**
- ❖ **Communicate more effectively at work & at home**
- ❖ **Become a better negotiator & problem-solver**
- ❖ **Increase your value in the workplace**
- ❖ **Contribute to conflict resolution in our community**

This 28 hour training focuses generally on approaches for dealing with people in conflict and specifically, on the Hawai'i Model of mediation through multiple simulated mediations. The Hawai'i Model is commonly used in community based mediations because it is known to be very successful with culturally diverse participants. There is no particular background or personality needed. Mediators come from all walks of life, but they all share one common desire to help resolve conflict in a peaceful and lasting way.
